Percent satisfied with school-home relations	55.5%	73.8%	77.3%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Marshall Elementary School is the second largest school in Orangeburg Consolidated School District Five and the largest Elementary School in Orangeburg County. The school's mascot is the bumblebee. Its ability to fly defies the theory of aerodynamics and achievement of the impossible. Strong community support and a dedicated staff with many of the staff serving the school for over 10 plus years mandates that we will achieve the impossible, which is optimum success for students, parents, faculty and staff.

The School Improvement Council and the Parent Teacher Organization are a vital component of the school. These organizations continually seek opportunities to provide financial support for students at Marshall for field experiences, technology, and incentives for student performance.

The 2012-2013 academic year began with change, an entirely new leadership team. While this team also demonstrates compassion and determination, the bigger focus is on developing Professional Learning Communities (PLC's) and providing teachers with expertise on understanding and tracking data to inform instruction. The PLC's are centered on the data team process, intervention, and the use of PBIS to maintain and support classroom management.

Marshall also celebrates student success. Students who achieve the honor of Principals List (all A's) for the 1st semester and second semester were rewarded, as well as, top achievers on PASS. Students on Honor Roll and with Perfect Attendance are recognized quarterly. The District Spelling Bee Champion is a "Marshall Bee". Students achieved the honor of first place and third place in the Fresh Fruit Grant contest. A Marshall student also placed first in the Phi Sigma Pi Essay contest.

Understanding, compassion, and lending a helping hand to others continues to be the norm for Marshall. Our students, parents, faculty and staff, united as a family, continue to support others through the March-of-Dimes, Relay for Life, Pennies for Patients and various other programs.

Marshall is unique in that the student enrollment ranges from 930-950 for students in grades Pre-K through fifth. The student population is comprised of students from different ethnic and racial backgrounds, predominately African American. Marshall has many students and families with English as their second language and communication between the home and school is difficult. Approximately 80% of the student population is served by the free or reduced lunch program
